Hi Mark,

Wow - this is fantastic news! The process moving forward will be that when your city reviews the contract and/or mark anything up, our legal team will review it

again. We will come to an agreement and a signed contract and then we can kick things off. We can kick the program off in one of two ways, 1. with a kick off event 2. online distribution only.

I think it would be beneficial to take a call and go over the process and the options. When you get the contract back, we should schedule a call and go over these options.

I am looking forward to working with you.

Have a nice day!!

Stacey

Hi Team

Legal is still going through the contract, but I would appreciate if you could please post this announcement to your website. Please send over the link when posted. My team has received an incredible amount of inbound but due to travel responses will be delayed. We want to make sure people have the information they need. Thanks so much!

Have a good week. I'll be out of office all week back on 8/13. Will be checking in when I can.

Stacey

On Fri, Aug 3, 2018 at 7:11 PM Stacey Cooke <stacey.cooke@ring.com> wrote:

Hi Anne,

I think we should catch up next week when Mark is back in town. I drafted something that you can post on the website today that better explains the program and I also created the google form, similar to LCF's. The last time I spoke to Mark, he also said that your team would draft a more formal press release. My team is also happy to assist and get a quote from our CEO to include in that. I would like to connect her with your team that handles the press release. In the meantime, please see below some more information you can post so that residents can get a little bit more information. Lamirada@ring.com is open and we are responding to residents questions. We prefer not to take phone calls from residents at this time.

La Mirada, CA. Be sure to mark your calendar for the Ring Subsidy Program in La Mirada! The city of La Mirada is partnering with Ring to provide discounts for La Mirada residents for the purchase of select home security devices. During the promotional period, residents will have the opportunity to receive a \$100 promotional code funded by the city and Ring, along with additional discounts provided by Ring. The approved \$10,000 of city funding will enable 200 La Mirada residents to participate in the program on a first come, first served basis.

Program Information

The promotion period for the program begins September 1, 2018, and will run until the funding limit is reached. To participate in the program, residents will fill out a form to be posted on the La Mirada website on September 1, 2018 at 8:00am PT. Ring will provide the discounts to La Mirada residents via e-mail on a first come, first served basis. The promotional code e-mailed to residents of La Mirada will be redeemable at checking at ring.com. Please note that addresses will be verified to ensure the location is within city limits.

La Mirada residents have the opportunity to purchase the following discounted products:

- One (1) product per household can be purchased with a \$100 discount off the retail price. The discounted prices are:
 - Video Doorbell 2- \$99
 - Video Doorbell Pro- \$149

- Spotlight Cam Battery- \$99
 - Spotlight Cam Wired- \$99
 - Floodlight Cam- \$149
- A maximum of two (2) additional products per household can be purchased with a \$30 discount of the retail price. The discounted prices are:

- Video Doorbell 2- \$169
- Video Doorbell Pro- \$219
- Spotlight Cam Battery- 169
- Spotlight Cam Wired- 169
- Floodlight Cam- \$219

• A maximum of three (3) accessories per household can be purchased at 20% off the retail price. Due to this program being first come, first served basis, residents are encouraged to use the promotional codes as soon as possible. Receiving a promotional code does not guarantee a discounted price. Promotional codes are valid for a single-use only and cannot be used towards previously purchased Ring Products.

Residents will also need to pay an additional fee for a subscription to record and save the footage on the Ring mobile app. For more information about Ring's products, please visit Ring.com/Products.

For more information about the rebate program, please contact LaMirada@ring.com or Mark Rounds, Senior Administrative Analyst MRounds@cityoflamirada.org.
